**RE: MO'S IRISH PUB**

Dear Jim:

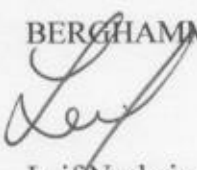

Mo's Irish Pub is completed! Quite honestly, this was a project that we *almost* bit off more than we could. It was a challenge staying on top of the continuous design evolution while we were building, to the extraordinary fast paced schedule. I wish to acknowledge our Superintendent, Scott Barrowlift, Senior Project Manager Jim Fryk, and Project Coordinator Marsh Baer, for all their efforts.

I do not have the names of all your employees who worked on the project, but I wish to express my sincere thanks for their effort and conscientiousness in contributing to the outstanding quality of the finished project.

I look forward to working with you in the near future on a project with a less demanding schedule.

Respectfully,

BERGHAMMER CONSTRUCTION CORPORATION
